Education

Indian Statistical Institute, Kolkata 2024 – 2026
M.Tech in Cryptology and Security

Bhagwan Parshuram Institute of Technology 2018 – 2022
B.Tech in Electronics and Communication Engineering

Offers & Upcoming Roles

Incoming Data Scientist — Aditya Birla Capital Joining July 2026
Offer Secured

- Selected through a competitive evaluation process for a Data Scientist role in the financial services domain.

Projects

Enhanced Malware Detection by Analysing Network Traffic Through AI | *Python, scikit-learn* 2025–2026

- Master’s thesis selected at **COSIC Lab, KU Leuven, Belgium** (on-site, 6 months) under Prof. Bart Preneel.
- Designed ML-based malware detection using packet-level and flow-level network traffic features.
- Built Python pipelines to parse PCAP files and generate structured datasets for supervised learning.
- Analyzed false positive vs false negative trade-offs for robust real-world detection.

Retrieval-Augmented AI Chatbot | *LangChain, LangGraph, FastAPI* Aug 2025

- Developed and deployed a multi-agent RAG chatbot for general and domain-specific Q&A.
- Implemented semantic search using Azure OpenAI and Pinecone vector database.
- Designed scalable FastAPI backend with async processing and Docker-based deployment.

Credit Risk Level Prediction Model | *XGBoost, FastAPI* Apr 2025

- Built an end-to-end ML pipeline for risk classification using structured financial data.
- Performed model benchmarking and hyperparameter optimization across multiple algorithms.

Experience

Data Science Intern — Telecommunications Consultants India Limited Mar 2021 – Apr 2021
On-site Internship

- Analyzed complaint data from MySQL database to support a complaint management system.
- Conducted exploratory data analysis to identify resolution patterns and trends.

Technical Skills

Languages: Python, SQL, C
ML/Data: NumPy, Pandas, scikit-learn, PyTorch
Frameworks: FastAPI
Tools: Docker, Git, Linux, Streamlit, Tableau
Concepts: Machine Learning, Statistics, NLP, Network Security

Leadership

Placement Coordinator — ISI Kolkata Aug 2024 – Present
Placement Cell

- Coordinated with recruiters and students to support internship and job placements.
